ADVISORY BOARD FIELD TRIP TO THE BOSTON HARBOR, SPECTACLE AND DEER ISLAND

More than 120 people attended the Advisory Board Field trip held on August 18th. Members and guests had the opportunity to cruise the Boston Harbor, visit Spectacle Island and tour Deer Island Treatment Plant.

The MWRA Advisory Board appreciates all those that attended and hope they enjoyed the experience. The AB also wants to recognize and give a special thanks to President of the Boston Harbor Association Vivien Li for her fantastic narration of all the significant changes made around the Harbor during the 21 mile cruise. Without her participation, the event would not have been as successful.
