On Thursday, August 16th, the Advisory Board honored long-time member Walter Woods of Wellesley, MA with the dedication of a bench near the Shaft 5A site while on the annual AB field trip. Mr. Woods has been an Advisory Board member since its inception in 1985. Additionally, he has served on the Executive Committee of the Advisory Board in various positions over the years, including Chairman and Secretary.

ADVISORY BOARD FIELD TRIP TOURS MWRA SITES

Members of the Advisory Board and guests visited several MWRA sites on the Annual Field Trip this month. The sites included: the John J. Carroll

Water Treatment Plant (CWTP), the Weston Reservoir, Shaft 5A and Loring Road. Guests received an informative presentation at each location. At the Carroll Water Treatment Plant, there was an emphasis on the construction of the ultraviolet disinfection process. There was also a tour of the water supply dam at the Weston Reservoir; the Shaft 5A site of the massive leak back in 2010; and a tour of the hydro-electric facility at Loring Road. The Advisory Board thanks all those that participated and attended the trip for making it a success. If you would like to see photos from the trip, please click [here](#).

NOMINATION FOR THE FY13 AB EXECUTIVE COMMITTEE

All Advisory Board members, including designees and CEOs that are interested in being elected or re-elected to serve on the Executive Committee, please contact the AB Office at: 617-788-2050 by Friday, September 7th. A nomination committee will be meeting after that date to review each candidate and make a recommendation to the full Advisory Board.

JOINT MEETING OF WAC, WSCAC & ADVISORY BOARD

The September 20th regular meeting of the AB will be held at the Waterworks Museum in Boston and will also serve as a joint meeting with the Wastewater Advisory Committee (WAC) and Water Supply Citizens Advisory Committee (WSCAC).
