MWRA Transmits Proposed \$773.2 Million FY19 CEB to Advisory Board

3.9% Combined Assessment Increase Proposed

Following last week's Board of Directors meeting, the Advisory Board has begun our statutory review of the MWRA's proposed Current Expense Budget for FY19. The budget includes rate revenue (funds paid by communities through their assessments) at \$745.08 million, which

represents a 3.9% increase over last year's budget. Communities will have a chance to weigh in. As part of our review, the Advisory Board has scheduled a public hearing for Thursday, March 15, 2018, at 11:30 AM at the Samuel Hadley Public Services Building, 201 Bedford Street, Lexington, MA. The public hearing and presentation will precede the regular Advisory Board meeting.

Climate Change Workshop Tracker

New Speakers Confirmed

We're gearing up for our Climate Change Workshop on June 15 - just over three months away! Speakers for the morning session so far include former EPA Administrator Gina McCarthy; Secretary Matthew Beaton of the Executive Office of Energy and Environmental Affairs; Chief of Environment, Energy, and Open Space Austin Blackmon of the City of Boston; and more. Following lunch, the afternoon panelists will dive into examples of local resources and case studies in MWRA communities. We're excited to plan this workshop for you, and we will continue to provide more information as June 15th draws closer. Stay tuned!
