### ***Admission of Sunrise Senior Living to MWRA Sewer System via Norwood Interconnection***

Colleen Rizzi, P.E.

Director of Environmental and Regulatory Affairs

January 15, 2026

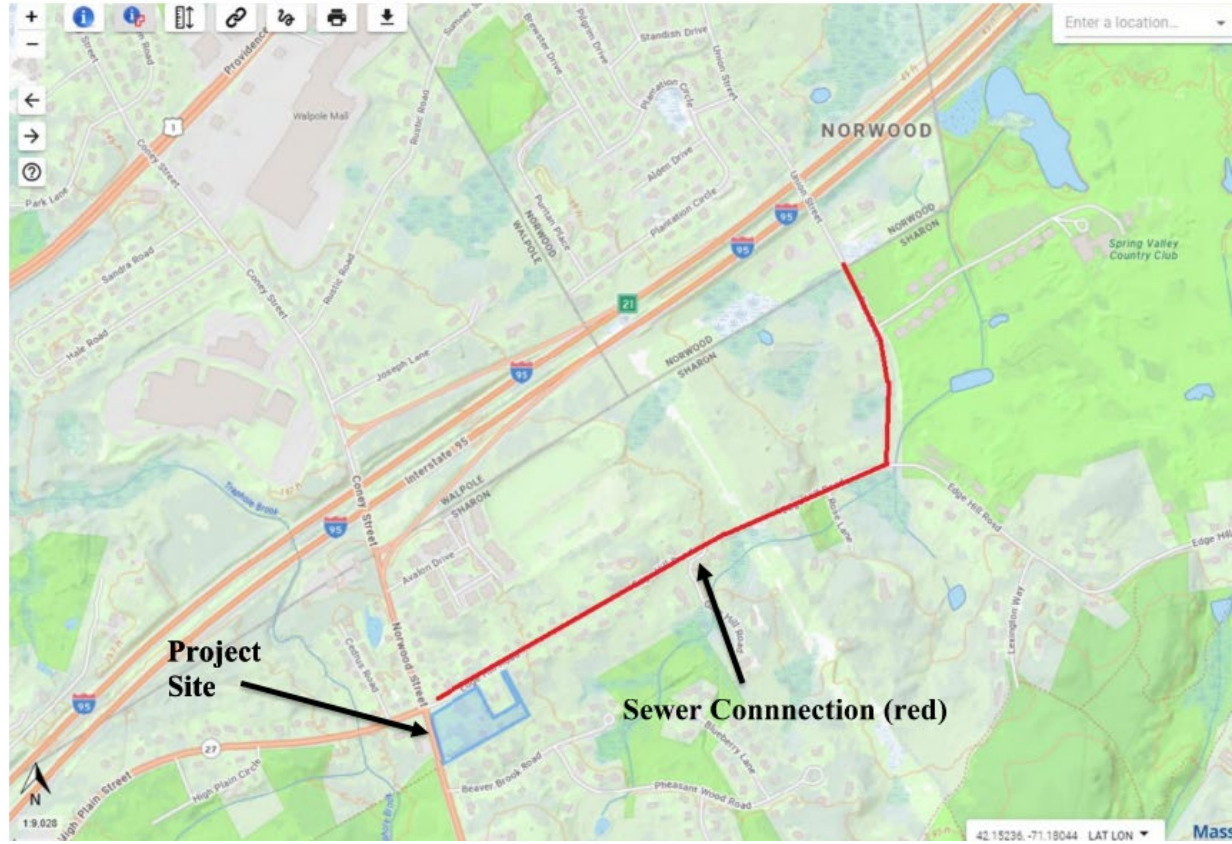

## Background Information

- Sunrise Senior Living, located in the Town of Sharon, is seeking admission to the MWRA sewer system via Norwood interconnection.
- Operating Policy 11 – Admission of a New Community to the MWRA Sewer System and Other Requests for Sewer Service to Locations Outside MWRA Sewer Service Area applies.
- The Sunrise Facility will generate up to 10,000 gallons per day (gpd) to the Norwood sewer system to service its 99-unit senior living community.

# Background Information

## Route of Sewer Connection from Project Site to Town of Norwood Tiot St./Union St. Sewer Manhole (via Edge Hill Road and Tiot Street)

# Proposed Sewer Connection - Norwood

- Project evaluated multiple options for sewer disposal, including on-site septic, connecting to non-MWRA communities
- Project Site's high groundwater conditions, challenging soils, and septic system location constraints, the Project team determined that on-site septic is not feasible
- Proposed flows:
  - **Maximum** daily capacity: 10,000 gpd
  - **Average** daily capacity: 5,925 gpd
- Norwood's I/I report details work performed in summer/fall 2025 to remove a total of 48,795 gpd of I/I from the municipal sewer system
